PROFILE / ABOUT ME

Assalamu Alaikum,

I am **Ridwanul Karim**, a passionate and dedicated student of **Computer Science and Engineering (CSE)** at **International Islamic University Chittagong (IIUC)**. I am deeply interested in **technology**, **problem-solving**, and **continuous learning**.

Beyond academics, I have a strong passion for **astronomy**, often spending time observing stars, the moon, and galaxies through a telescope — an activity that enhances my curiosity, patience, and focus.

I aim to integrate my **technical knowledge** and **creative thinking** to contribute meaningfully in the fields of software development, content creation, and scientific exploration.
